**Credit Recovery / Teacher Posted Schedules** - A scheduled program that allows students to earn missing credits and complete coursework that reduces risk of failure. Focus on targeted instruction and assessment of key outcomes that were not successfully achieved. Teachers will post their class availability during the final exam schedule. The modified schedules will be based on the teacher's supervision requirements. Attendance in modified schedules will be taken.

**Gr. 9 Transitions:** A support process that helps students move successfully from one school setting to another. This may include family meetings, tours, schedule checks, and communications to ensure continuity in learning and overall student success.
